Soft Subtitling

Soft Subtitling provides much more information than "normal" English subtitles and is especially useful for those with hearing impairments. Subtitled films will not have Audio Description.

Audio Description

Unless otherwise stated, all films listed have Audio Description, which enables people with visual impairment to enjoy the cinema. Please ask Box Office for a headset. We have limited availability of headsets. No audio description on Soft Subtitled Films.

Dementia Friendly Screening

Everyone is welcome to these screenings, but they are specifically designed for those who are living with dementia and their family/carers. Enjoy a free tea, coffee and biscuits before the film and any extra activities we may have running. Tickets are £5, Carers free.

Relaxed Screening

Specially designed for children with SEN and Autism. Enjoy the film without extra stimuli such as queuing, adverts/trailers. The lighting will be dimmed and the sound will be reduced and if you need a break, there is a chill-out space available.
